

## 2015 Spring Commissioning Services

<b>Remove/recycle shrink wrap</b>	\$125.00	Includes removing shrink wrap from boat, bagging and shipping it back to be recycled.
<b>Recycle bags &amp; shipping forms (do-it-yourself)</b>	\$40.00	Remove the wrap & place it in the bag, secure the label & drop it @ the marina for shipping. <u>Note:</u> strapping (belly band) is not recyclable- please dispose in trash.
<b>Commission water system</b>	\$85.00/hour	Connect hoses and flush non-toxic antifreeze out of the system.
<b>Wash &amp; wax</b>	\$60.00/hour Call for Quote	Now is a good time for a fresh coat of wax to protect your boat from that high altitude sun. The shop store carries supplies if you choose to do it yourself.
<b>Bottom paint job</b>	\$85.00/hour Call for Quote	Inspect your boat's bottom and see if it needs a fresh coat of anti-fouling paint. Price based on size & condition.
<b>Commission inboard motors</b>	\$85/hour + parts/materials	This includes installation of drain plugs, cooling hoses, batteries and visual inspection of engine fluids.
<b>Commission/mount OB motors</b>	\$85/hour + parts/materials	
<b>Tuning motor</b>	\$85/hour + parts/materials	This service is not included in commissioning motors. This service ensures motor will run correctly.
<b>Boat launch:</b>		Boat launch fee does NOT include towing charge, if necessary- if no motor or of motor is not operable.
<b>-Keelboats</b>	\$205.00 & up	\$205.00 for boats up to 24'...\$12.65 for each additional foot over 24'
<b>-Swing Keels/Powerboats</b>	\$120.00 & up	\$120.00 for boats up to 24'...\$10.40 for each additional foot over 24'
<b>Boat tow</b>	\$55.00	
<b>Battery charge</b>	\$10.00-\$40.00	\$10 if you bring the battery in...\$40 if marina staff removes from boat. *If you stored your battery with the marina this winter, we will test & charge it so it's ready to go- No Charge.
<b>Stepping the mast</b>	\$85/hour + \$12.00 mast kit	This includes: Taking the mast from the horizontal position to the vertical position, a visual inspection of the standing & running rigging and the installation of your wind indicator, if previously mounted.
<b>Tuning the mast</b>	\$85/hour + parts	(Not included in stepping the mast) Tuning ensures correct rig tension, pinning & taping turnbuckles.
<b>Install sails</b>	\$85.00/ hour	
<b>Summer trailer storage</b>	\$415.00 & up	\$415.00 up to 24' (boat length)...\$23.00 for each additional foot over 24'
<b>Additional services</b>	\$85.00/hour	

Spring is the time to get your boat ready for summer and do preventative maintenance to help prevent summer breakdowns. **Please let us know if you would like the inspection of any of the following:** [Running rigging](#)- ropes that control the raising and lowering of sails and sail control, [standing rigging](#)- the wires that hold the mast up, [wind indicator](#), [engine belts](#) (on inboard power boats), [running lights and engine tune-ups](#). **Standard labor rate of \$85.00/ hour applies.**
