

DILLON LODGING TAX RETURN

WHO MUST FILE A RETURN

If you lease or rent rooms or accommodations for less than 30 consecutive days, a lodging tax is required to be paid. This includes hotels, apartment hotels, motels, lodging houses, motor hotels, guest houses, guest ranches, trailer coaches, mobile homes, auto camps, time share units, condominium units, town homes, trailer courts, private residences, or any such similar place. A lodging tax return must be filed every month or quarter even if there is no tax to remit. Your filing requirements are based on your filing requirements from the Department of Revenue. If you are required to file your sales tax monthly, then your lodging tax return is due monthly. If you are required to file your sales tax quarterly, then your lodging tax return is due quarterly.
